

The Women in Film and Television International Short Film Showcase

7 films from Australia, Canada, USA and the UK

Imaginative, compelling, truthful and entertaining, these films reveal the dramatic, documentary and comic skills of today's women filmmakers. They have won numerous International Festival Awards, including an Academy Award for 'Wasp'

Join Women in Film and Television NSW for drinks and a lively programme of short films to celebrate International Women's Day

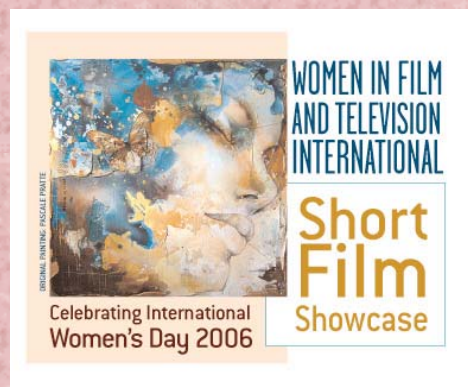

Guest of Honour is Dr Meredith Burgmann MLC, President of the Legislative Council of NSW
